Telemedicine Appointments Now Available!

To provide you with the care you need during this difficult time, AHVI is offering telemedicine appointments from the safety and comfort of your home. Telemedicine appointments allow you to receive the same quality care as you do in the clinic without leaving home.

Simply call (908) 237-3405 to setup a telemedicine appointment.

We look forward to seeing you soon!

As healthcare systems consolidate and increasingly focus on the bottom line over patient relationships and care, it's extremely refreshing to have a physician and staff that treat you like a friend, family member, and most importantly, a partner in your wellness. Dr. Andrey Espinoza and his staff at Advanced Heart and Vascular Institute are first class! From the first call to book an appointment, to the patient on-boarding, to the experience in the exam room, I've been impressed with each part of the process. If you are sick of feeling like "just another number" in your patient experience with other providers, I highly recommend Dr. Espinoza and his team for your cardiology care.

— Dave Gambrell — Posted on Google

Dr. Espinoza was in the ER when my father was transported by ambulance. He had had a heart attack at home and waited 2 1/2 hours before calling 911! We were blessed to have Dr. Espinoza as the attending physician, who mobilized all medical resources, made all the right decisions and saved my father's life. We are eternally grateful to Dr. Espinoza!! Hunterdon's Finest!

I wanted to personally reach out to congratulate you on your recent recognition as a Top Doctor by Inside Jersey magazine. Morristown Medical Center's goal is to provide exceptional patient care with compassion to our patients and their families, and your hard work and dedication to them—and our clinical team—does not go unnoticed. On behalf of all of us at Morristown Medical Center, congratulations, and know how proud we are to help build healthier communities with you... Thank you!

— Trish O'Keefe, Ph.D., RN, President, Morristown Medical Center

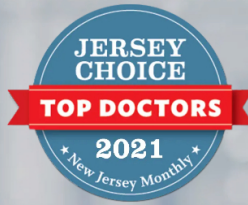

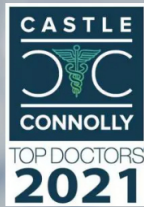

Congratulations on being named a Top Doctor by Jersey's Best Magazine and Castle Connolly Medical, Ltd. We are proud to partner with you in delivering extraordinary care.

— Brian Gragnolati, President and Chief Executive Officer, Atlantic Health System

Our Mission

To provide state of the art cardiovascular care with integrity and compassion.

AHVI is proud to announce these honors for 2021...
