Jalan Jalan Imports and Topanga Rocks

A Stunning Destination in Beautiful Topanga

Jalan Jalan Imports has been serving the Los Angeles area since 2011. We source the finest Indonesian hand-carved statuary, teak and teak root furniture, petrified wood and unique handicrafts. Topanga Rocks is located on the same property and offers a breathtaking variety of crystals and rocks from around the world. You'll discover the finest quality crystals in every size and shape. We also offer a wide range of authentic stone bracelets and a curated line of jewelry by Gutesha Collection. Virtually every item we sell is one of a kind. Visit our store to see the latest in gems, teak furniture and carvings. Inventory changes daily and the most unusual pieces turn over quickly. We are always restocking inventory, so you'll see something new every time!

Owl Falls in the Heart of Topanga

A Three-Story, Spring Fed, Historic Waterfall

While visiting Jalan Jalan Imports and Topanga Rocks you will discover Owl Falls, a natural waterfall, that runs all year long. For thousands of years, it served as a primary drinking source and important gathering place for the indigenous Chumash and Gabrielino-Tongva Indians. Enjoy the stunning view while being transported to an ancient land filled energies that inspire peace and wonder.

Topanga Rocks Crystals

Los Angeles' Hidden Gem in Topanga

Topanga Rocks has the most stunning and diverse collection of crystals and stones in Los Angeles. Our crystals are sourced directly from all over the world, often times direct from the mine. We carry all the most popular crystals and many that are difficult to find, from rough crystals to polished and carved. You will surely enjoy the clean presentation and information about the crystals that helps guide our customers to the crystals that most benefit them. To learn more about crystals and view our current inventory visit our store.
