

Welcome to a better **ACH Audit Experience** for your business

FIND YOUR PERFECT AUDIT SOLUTION

Welcome to **Optim ACH Solutions**

Sure, an ACH audit is a compliance requirement, but it also should be a tool to strengthen your business. At Optim ACH Solutions, we provide value-driven ACH Audit and Risk Management Services for businesses, including Third-Party Senders, Third-Party Service Providers, and FinTechs. We utilize the Agile methodology and technology tools to develop products and deliver services focused on driving better outcomes and audit experience. That's precisely where we've landed: Agile Audit & Risk Solutions, Simplified! We are not just auditors; we are your partners.

ABOUT US

Industry Showcase **Payroll Service Bureaus**

OAS is proud to showcase our flagship solutions that have been designed and developed specifically for Payroll Service Bureaus, Accountants, and Payroll Professionals. Our solutions translate Nacha terms into a language that you will understand, and that's because we understand you!

Our Client Experiences

What They're Saying

★★★★★

"Our experience with Optim ACH Solutions has exceeded our expectations. The entire audit process was low pressure and efficient, but the real benefit was in the valuable advice we received from them. At every step in the process, we felt they wanted to help us to grow as a company. They went beyond the audit with their help and guidance."

Al Bothwell | CEO, Primepoint, LLC

★★★★★

"OAS has been wonderful partner. I have worked with Debbie at the professional level for the past few years in connection with ACH audits. She is a very talented, experienced and dedicated auditor. She goes above and beyond to educate clients and has a true passion for her work."

Asha Doshi | Senior Vice President, Finance, Paymerang

★★★★★

"Beyond being seasoned NACHA subject-matter experts and ensuring our organization is compliant, OAS always strives to provide a stellar and seamless experience at all times."

Joseph Valdez | Director of Corporate Compliance, PlanSource
