

Tell San José to Invest in Urban Greening

With San José already experiencing the impacts of climate change, we need to take action now to protect our communities from flooding and excessive urban heat.

WHAT WE DO

WE EDUCATE, PROTECT, AND RESTORE

Whether it's fighting climate change, educating policymakers, or mobilizing thousands of residents to help us restore the wetlands, we're dedicated to protecting and restoring the Bay for generations to come.

IMPACT

WE'VE COME A LONG WAY...

...but we won't rest until our Bay is free of pollution, surrounded by 100,000 acres of restored tidal marsh, and supported by communities who value this incredible natural resource.
