

Real Cultured Dairy

Sierra Nevada Cheese sources milk from local family dairies committed to pastured based farming. We use traditional processes to create our wholesome dairy products where the milk and the cultures are all we need.

Simple. Wholesome. Pure.

At Sierra Nevada our processes are SIMPLE, and our milk is full of WHOLESOME goodness, creating deliciously PURE Cultured dairy products for your everyday enjoyment!

Products

Browse through our collection of products made from cow's and goat's milk. Sierra Nevada Cheese proudly produces all our products at our creamery in Willows, CA.
