

A NEW KIND OF SOCIAL CLUB

No bartenders, no corkage fees, just the space you need to make the night what you want. You're in charge, we're here if you need us.

LIKE ALL GREAT THINGS, IT ALL STARTED OVER A BOTTLE OF WINE. Have you ever had one of those nights where you wanted to be out, but didn't want to go to a bar? Yeah, so have we. That's why we created Birch Road Cellar.

A NEIGHBORHOOD CLUB THAT'S FUN, CASUAL, WELCOMING... AND 100% BYOB.

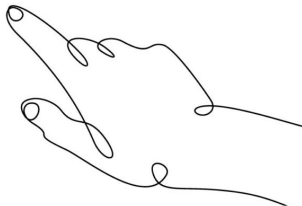

We love restaurants and we love paying a premium for a really impressive cocktail that we could never make ourselves. But when all we want to do is open a bottle and talk all night or when we're focused more on the people at our table than the people in the room, Birch Road is our perfect spot. We built the clubhouse that we were craving, and it turns out a lot of other people have been too.

THE WHISKEY GEEK

Birch Road is an amazingly welcoming place full of great events and people.

Since I've joined I've been surprised by how much I've enjoyed my time at Birch Road, especially now with COVID because there are so few safe and fun options around.

DANA L., CHICAGO MEMBER SINCE 2014

THE WINE ♥ ER

I love being a part of this community of wine and spirits lovers.

I've been introduced to great people and great drinks because of this community.

THE ENTERTAINER

I cannot imagine any guest I ever host here not being impressed with the place.

It beats cleaning up before/after at home to entertain. It's also one of the best deals I've ever run across.
